

Kalise Axon

Wellness Coordinator

Middleton-Cross Plains Area School District

Middleton, Wisconsin

Kalise Axon is a dedicated educator and advocate with over a decade of classroom experience as a Health and Physical Educator. She serves as the Wellness Coordinator for the Middleton-Cross Plains Area School District, successfully transitioning from classroom teaching into full-time district leadership. She holds a Bachelor of Science from UW-Platteville and a Master's degree in Adventure Education from UW-La Crosse.

Recognized statewide for her impact, Kalise was named the Wisconsin Health and Physical Education Association (WHPE) Advocate of the Year in 2019. Her leadership previously extended to the WHPE Board, where she served a term as Middle School Vice President and chaired the Advocacy Committee.

As a trainer for the Department of Public Instruction (DPI) Active Schools Core 4+ program, Kalise has authored training modules and statewide educator guides while training educators across more than 30 Wisconsin school districts to expand wellness opportunities. Additionally, she is a certified Restorative Conference trainer through the International Institute for Restorative Practices (IIRP) and supports districts statewide in building robust employee wellness programs.
