

Elizabeth Click, D.N.P., N.D., R.N.

**Medical Director
Case Western Reserve University
Associate Professor
Frances Payne Bolton School of Nursing
Cleveland, Ohio**

Elizabeth Click is the medical director for Case Western Reserve University and an associate professor at the Frances Payne Bolton School of Nursing. She created and directs the university's faculty and staff wellness program and provides strategic support for the development and implementation of benefit designs, health care cost management initiatives, and clinical programs to positively impact population health. Dr. Click is an educator, administrator, leader, practitioner, and author, with over 25 years of experience in developing and sustaining worksite wellness programs. Her efforts within corporate, academic, and community organizations have positively impacted the health of varied workforce populations with a focus on prevention, wellness, and behavior change. Dr. Click received her undergraduate degree from the College of Wooster and her doctor of nursing degree from CWRU. Prior to joining the CWRU faculty, Dr. Click managed the wellness training program at The Progressive Corporation.
